

Go ahead, power your journeys.

The all-electric new VW Beetle is here. With the same chutzpah, fun and simplicity, it's always been known for. Awesome range, and lighter on your pocket too.

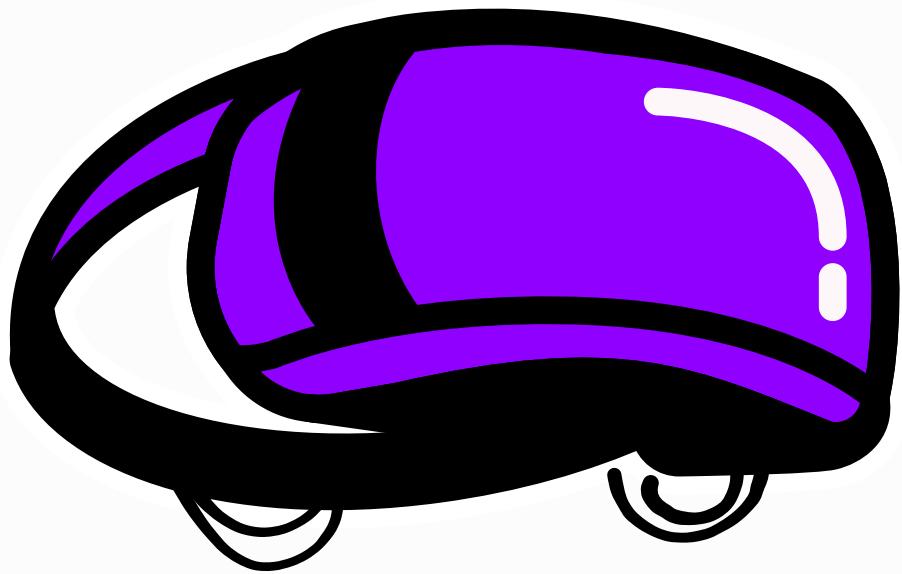

No more fun way to travel.

Once a VW Beetle, always a Beetle. Except this one is all-electric. Expect the same chutzpah, fun and simplicity, though. Awesome range, and lighter on your pocket too.

More VRooom for the digital age.

Connected and all-electric, the new VW Beetle is here to wow you. With the same chutzpah, fun and simplicity, it's always been known for. Awesome range, and lighter on your pocket too.
